OCPA,

(U) Documents comprising the fourth interim release to the requester in the above-referenced FOIA case include briefings to Congressional committees, and correspondence between the NRO, members of Congress and Congressional committees. These documents have completed program-office reviews, Final Reviews by OS&CI/Policy, OCPA, and OGC, and have also been reviewed by the Defense Office of Freedom of Information Policy Office, as this qualifies as a "significant FOIA release" under their policy guidance.

(U) Copies of the final documents for release are located at:

[Redacted]

(b)(3)

(U) The IRRG plans to release these documents to the requester on 15 April 2014. Should you wish to notify any Congressional committees or individual members of Congress about this release, you may utilize copies of any of these documents as you deem appropriate.

(U) If you have any questions, please feel free to contact me.

All the files except the first one (BPO01) appear to say "NRO APPROVED FOR RELEASE 15 APRIL 2015"

(b)(3)

Should that be 2014? Or is 2015 intentional? BPO01 says "2014".

Thanks,

Good morning, [Redacted]

(b)(3)

(U) I don't have a list, per se, but all documents provided to Kraftson to date (in three interim releases) have been copied to:

[Redacted]

(b)(3)

(U) In addition to the direct NRO releases, some documents (attached to this message) have been treated for NRO equities and sent to ODNI and OMB for their direct response to Mr. Kraftson.

(U) For reference purposes, I have also attached a copy of Mr. Kraftson's original request for records (with attachments).

(U) There is an additional interim release currently in process, and quite a number of documents that are awaiting further review. It might be worth noting that while these documents have not been released to Mr. Kraftson, most of the documents being processed for a fourth interim release were provided (in treated form) to KBR under the submitter notification provisions of E.O. 12600, in May 2014. These documents are at:

FOIA Team,

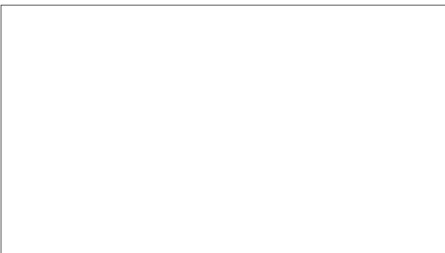

I recall that a series of FOIA requests were submitted by Kraftson on behalf of Kellogg, Brown and Root concerning the Eastern Processing Facility in Florida.

(b)(3)
(b)(5)

If so, may I receive a copy of the list?

Thank you.
